

DR. METZGER'S SATURDAY EVENING NEWSLETTER

FOR JUNE 10, 2023

PROSTATE FORUM OF ORANGE COUNTY

[WWW.PROSTATEFORUM.ORG](http://www.prostateforum.org)

Good Saturday evening!

Tonight, I want to share a list of current clinical trials with you. The clinical trial scene is evolving and changing and we are in an exciting time for such treatments. And, I want to share a list of contacts you can ask about clinical trials. First, tonight's article.

“AUA 2023: Updates on Clinical Trials in Prostate Cancer”

[2023 American Urological Association \(AUA\) Annual Meeting, Chicago, IL, April](#)

[27 – May 1, 2023](#)

Presented by: Russel Z. Szmulewitz, MD, Associate Professor of Medicine,
University of Chicago, Chicago, IL

[UroToday](#)

Discuss your eligibility for clinical trials with your oncologist. And, here's a partial list of practitioners and researchers familiar with trials.

Sandy Liu, M.D.

City of Hope / USC Orange County
Irvine, CA

<https://www.cityofhope.org/sandy-liu>

Tanya Dorff, M.D.

City of Hope Duarte, CA

<https://www.cityofhope.org/tanya-dorff>

Check out our web site for several presentations by Dr. Dorff.

The article's author is:

Thenappan (Thenu) Chandrasekar, MD – Urologic Oncologist, Associate Professor of Urology, University of California, Davis
