Good evening!

Here’s an article about “bedside manner” a subject near and dear to our hearts.

Dr. Spratt will join us on Thursday, October 26<sup>th</sup> at 5:00 p.m. Pacific Time on zoom to address the role of artificial intelligence in treating prostate cancer.

Here’s the presentation link for the last Thursday evening of the month event.

In the meantime, keep checking our website at [www.ProstateForum.org](http://www.ProstateForum.org) for presenters and support group meeting times and zoom links.

Have a great rest of the weekend.
